Amana®

**CATALOG** 2014

SAVING IS JUST

QUALITY, VALUE AND EVERYDAY SOLUTIONS

Amana brand makes it easy to keep more money in your pocket with uncomplicated appliances for your home. That's why we're the go-to brand for appliances that offer more...for less.

THE START

From "I can afford that?" features to eco-friendly options that save money, we continue to evolve our product line and prove that with Amana brand, **Saving is Just the Start.**

We stand behind our mission and the promise of providing quality appliances that are priced right, simple to use and efficient...for everyone.

LIKE OUR APPLIANCES, WE ARE CONTINUALLY WORKING TO IMPROVE YOUR HOME.

As part of our policy of continuous improvement, Amana brand is always conscious of opportunities to better our product offerings. Our evolving product lineup is designed to better suit your home and budget.

Amana brand strives to continually provide simple solutions and easy-to-use appliances. With our products, you can feel secure knowing they won't compromise on quality, simplicity or efficiency.

TABLE OF CONTENTS

LAUNDRY

FIT FOR THE ENVIRONMENT AND YOUR BUDGET

Use fewer resources and save more money with laundry pairs that use only what they need to perform at their best. Large capacities and energy-saving features help make laundry day a little more efficient.

Note: Pedestal featured is no longer available.

FRONT-LOAD

TOP-LOAD

# FRONT-LOAD LAUNDRY

MODELS NFW5800DW, NE/GD5800DW
SHOWN WITH OPTIONAL PEDESTAL XHPC155XW

HIGH EFFICIENCY ALL AROUND

Our HE front-load washer exceeds government standards for **ENERGY STAR®** qualification to help conserve water and energy and help lower your utility bills.

SAVINGS YOU CAN SEE

The **Efficiency Monitor** gives feedback regarding how the cycles and options you choose affect your overall energy savings. Now you can take the mystery out of efficiency.

EFFICIENCY PAYS

OUR HIGH-EFFICIENCY FRONT-LOAD WASHER USES 83% LESS WATER AND 88% LESS ENERGY,* WHILE THE DRYER USES 72% LESS ENERGY,** HELPING YOU SAVE $3,700 DURING THE LIFETIME OF THE PAIR.†

MULTIPLE CYCLES AND OPTIONS

Wasting water and overdrying clothes are in the past. Choose between **7 wash cycles and 5 dry cycles** that are easy to operate, so you only use the water and energy you need to fit the load.

CUT DOWN ON DRYING TIMES

At 1,200 RPM this washer's **spin speed** saves energy by removing more water in the washer, so clothes spend less time in the dryer.

Note: Not all features included on all models.
*Compared to pre-2004 traditional top-load washers. **Compared to pre-2004 traditional top-load dryers. †Compared to pre-2004 traditional top-load pairs, average use, normal cycle, 11-year washer life and 12-year dryer life, combined washer and dryer water and energy savings, electric only.

MODELS NTW4750BQ, NE/GD4700YQ

HIGH EFFICIENCY ALL AROUND

Our HE top-load washer exceeds government standards for **ENERGY STAR®** qualification and meets CEE Tier 3* standards, helping you conserve resources and lower utility bills.

WASH AND DRY MORE AT ONCE

Our **largest-capacity** top-load laundry pair fits more in every load. Now you can conserve resources and cut down on the time and energy spent doing laundry.

TOP SAVINGS WITH TOP LOAD

THIS HIGH-EFFICIENCY PAIR USES UP TO 83% LESS WATER AND 88% LESS ENERGY

IN THE WASHER** AND REDUCES ENERGY CONSUMPTION BY 72% IN THE DRYER,† HELPING

YOU SAVE OVER $3,700 IN LIFETIME WATER AND ENERGY COSTS.††

SENSES WHEN ITEMS ARE DRY

Automatic Dryness Control uses a sensor to monitor air temperature, automatically stopping the cycle when fabrics are dry to help reduce shrinking and overdrying.

CLEAN WITH LESS WATER

A low-water wash system cleans efficiently with as little as 13 gallons of water. Rather than filling the basket, a concentrated detergent and water mix penetrates fabrics to help remove soils and stains.

Note: Not all features included on all models.
*Based on the Consortium for Energy Efficiency qualifying product list. Visit cee1.org for more information. **Compared to pre-2004 traditional top-load washers.
†Compared to pre-2004 traditional dryers, average use, normal cycle, 12-year life. ††Compared to pre-2004 traditional top-load pairs, average use, normal cycle, 11-year washer life and 12-year dryer life, combined washer and dryer water and energy savings, electric only.

ACCESSORIES

6' GOOSENECK NYLON BRAIDED FILL HOSE KIT
#8212638RC
#8212638RP

Nylon braided hose, 90° elbow with anti-corrosive couplings and pre-installed EPDM washers. Offers maximum water flow.

AFFRESH® WASHER CLEANER
#W10135699

Ideal for High-Efficiency washers, these tablets remove odor-causing residue and keep your machine fresher and cleaner when used monthly.

DRYER LINT BRUSH
#8212614

Maximize your drying experience by keeping lint screens clean. This handy brush is made for dryers with lint screens on top.

DRYER POWER CORDS
4', 3-WIRE, 30 AMP #PT220L
4', 4-WIRE, 30 AMP #PT400L
6', 3-WIRE, 30 AMP #PT500L
6', 4-WIRE, 30 AMP #PT600L

Successfully hook up your electric dryer with one of these industrial-grade cords. Includes (1) flexible, heavy-duty UL-listed cord with ring terminal connectors, adjustable strain relief bracket and installation instructions.

LAUNDRY 1-2-3™ ADJUSTABLE CLOTHES RACK
#XHS1000XX

Easily attaches with scratch-resistant magnets. Rotating arms pivot independently to accommodate various configurations.

MULTI-USE CLEANING BRUSH
#4210463RW

For dryers with a lint screen in front, this brush sweeps lint away so your clothes can dry more efficiently.

VENT INSTALLER KIT
#4396013RB

Keep it flowing with safe and efficient metal venting. A 4' vent section attaches to a close elbow, while another attaches to a wall offset. Plus, an extension collar takes it to greater lengths.

WASHABLE DELICATES BAG
#W10180464RP

Protect delicate items from snags, tangles and tears while machine washing and drying.

16

LAUNDRY GLOSSARY

AUTO LOAD SENSING
Automatically measures the size of the load and uses the optimal amount of water for the volume of clothing and cycle selected.

AUTOMATIC DRYNESS CONTROL
Monitors drying temperature and dryness level so you don't have to worry about your clothes overdrying.

AUTOMATIC TEMPERATURE CONTROL
Sensors monitor the flow of incoming water, adjusting as needed, to maintain the temperature you select for consistent cleaning.

CASUAL CYCLE
Used for non-iron fabrics like sport shirts, blouses, casual business clothes, permanent press items and blends.

CLEAN WASHER CYCLE
Use the Clean Washer cycle monthly to help remove detergent residue from inside the washer. Just add a cup of bleach—or, for a deeper clean, affresh® Washer Cleaner—to make your washer sparkle.

DELICATE CYCLE
Slow spin speeds and a gentle wash motion effectively clean delicate items.

DRAIN & SPIN CYCLE
Used to drain the washer or to drain and spin the wash load.

DRUM LIGHT
Improve the view. This light helps you see everything clearly as you load and unload.

EFFICIENCY MONITOR
Shows how the cycles and options you choose affect your overall energy savings.

END-OF-CYCLE SIGNAL
You'll hear the end of it. A signal lets you know when the cycle is complete.

ENERGY STAR® QUALIFIED
Save money on your monthly utility bills. ENERGY STAR® qualified washers use less water and energy and help put more spending money in your pocket.

EXTRA RINSE OPTION
Rinses soil and detergent thoroughly from clothes, minimizing irritation for those with sensitive skin.

FABRIC SOFTENER DISPENSER
Releases fabric softener at the right time during the wash cycle.

LOW WATER WASH SYSTEM
Impeller and wash basket move independently of each other, creating wash motions that provide better cleaning than agitator models and use less water.

NORMAL WASH CYCLE
The cycle for your everyday laundry needs. Choose from Regular, Heavy or Light Soil options.

PORCELAIN WASH BASKET
A smooth, porcelain surface resists scratches and tears, unlike plastic tub models, protecting fabrics from snags.

QUICK WASH SYSTEM
Increased spin speeds help remove more water for faster drying and help conserve water and energy.

REVERSIBLE-SWING DOOR
Quickly and conveniently load and unload clothes. Reversible doors create added installation versatility.

STAINLESS STEEL WASH BASKET
Resists scratches and rust to help prevent the staining of clothes.

WRINKLE PREVENT OPTION
Reduces wrinkles with an extended tumbling time to help prevent dry clothes from developing those pesky creases.

DISHWASHERS

BETTER FOR YOUR WORLD AND YOUR WALLET

From sensors that help you clean to products that use less water and energy,* we're committed to helping you save both time and money. Now you can clean with a clean conscience.

*Compared to pre-2006 conventional dishwashers average use, normal cycle, 10-year life.

DISHWASHERS

DISHWASHERS

MODEL ADB1400PYS

A PLACE FOR LARGE DISHES

This **Tall Tub Interior** dishwasher features more room than a standard tub so you can wash more dishes in fewer loads, conserving water, energy and time.

FOR SPARKLING DISHES

Soil Sensors measure the soil level in each load and adjust the cycle time and water usage for just the right amount of energy and time.
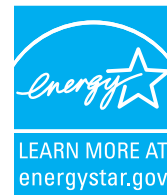

SAVE MORE WHILE USING LESS

SKIP THE PREWASH. A TRIPLE FILTER WASH SYSTEM USES THREE FILTERS TO REMOVE EVEN TINY FOOD PARTICLES, HELPING YOU USE 35% LESS ENERGY, 62% LESS WATER AND SAVE OVER $165* DURING THE APPLIANCE'S LIFETIME.

LEAVE THE DISH TOWEL ON THE RACK

The **heated dry option** whisks away moisture, so your dishes can go straight to the cupboard.

ENERGY STAR® QUALIFIED

Our tall tub dishwashers **meet or exceed the federal guidelines** for energy efficiency, so you can save money while conserving energy.

Note: Not all features included on all models.
*Compared to pre-2006 conventional dishwashers average use, normal cycle, 10-year life.

ADB1100AW W / B / S

ADB1400PY W / B / S

For every Amana® major appliance sold, **a tree will be planted to help rebuild global deforested areas.**[*]

*During 2014, for every major appliance it sells in the U.S., Amana® will donate $0.10 (the cost of each tree planted). Total donation is expected to plant over 2 million trees.

AFFRESH®
DISHWASHER CLEANER
#W10282479

Even the dishwasher needs a little freshening up. This cleaner uses environmentally safer ingredients to power away hard water mineral residue and is also safe to use with dishware.*

AFFRESH® KITCHEN & APPLIANCE CLEANER
#W10355010

Keep your kitchen clean and fresh. This formula cuts through everyday spills to leave a streak-free shine.

DISHWASHER RACK REPAIR KIT
#4396838RC (WHITE RACKS)
#4396840RC (GRAY RACKS)

Easily cover small cuts or exposed portions of the rack. Plus, this kit includes rack tine tips for an appearance that looks like new.

DISHWASHER SWIVEL GOOSENECK FITTING
#W10685193

Use this brass fitting with a pre-installed EPMD washer to connect your dishwasher to the water supply line. It is necessary for installation of all Amana® dishwashers produced after 2009.

UNIVERSAL INDUSTRIAL-GRADE 6' DISHWASHER WATER SUPPLY KIT
#W10278636RC
#W10278635RP

Connect your dishwasher to the water supply with this kit. The braided reinforced hose is better than stainless steel. Kit also includes (2) 3/8-inch brass compression fittings, (1) 3/8-inch brass elbow and (1) 3/4-inch brass swivel gooseneck fitting.

DISHWASHER GLOSSARY

1-HOUR WASH CYCLE
Rapidly clean lightly soiled items, like glassware.*

CONTROL LOCKOUT
Locks controls to prevent unintended use.

CUP SHELVES
Allows you to load two tiers of cups or other small items.

DELAY START OPTION
Lets you program the wash cycle to run during off-peak use hours** or when you're away from the kitchen.

ELECTRONIC CONTROLS
Flat controls keep cycle selection simple and wipe clean with ease.

HEATED DRY OPTION
An internal heater accelerates the drying process, removing excess moisture so you can forgo the dish towel.

HIGH TEMPERATURE WASH OPTION
A heater boosts the water temperature during the wash cycle. Plus, an extra rinse is added for enhanced cleaning and drying.

LIGHT ITEM CLIPS
Clips help hold small pieces in place so they're easy to locate and put away.

RINSE AID DISPENSER WITH INDICATOR
Automatically adds a measured amount during the wash cycle, reducing the potential for spots on your dishes. Plus, an indicator helps you keep track of when a refill is needed.

SOIL SENSORS
Sensors adjust cycle time and water usage to match the soil level in each load, helping save time and energy.

TALL TUB INTERIOR
Holds more dishes and provides room for items that are too big to fit in a standard dishwasher tub.

TRIPLE FILTER WASH SYSTEM
A combination of three filters removes even tiny food particles from the wash water, so you conserve energy and water and still get clean dishes.

*Check manufacturer's suggested cleaning instructions on all dishwasher safe items. **Only available in the few areas that offer reduced energy rates during off-peak hours.

NOTES

COOKING

TAILOR ENERGY USAGE TO THE DISH

Our cooking appliances are consistent in temperature and efficient when using the right pan with the right burner to provide a more precise experience. So whether you're crafting an entire family meal or just warming up soup, you've got the right tools to cook to perfection.

KEEP SPILLS CONTAINED
Don't sweat the small spills.
Sealed Burners make cleanup easy by
preventing spills from dripping
beneath the cooktop.

MAKE WAY FOR LARGE DISHES
The **EasyAccess™ Broiler Door** spans the
width of the oven, allowing large dishes
to move smoothly from oven to
broiler, rack and all.

HANDLES THE DIRTY WORK

THE HIGH/LOW SELF-CLEANING OVEN LETS YOU SELECT THE RIGHT

AMOUNT OF CLEANING FOR LIGHT OR HEAVY SOILS.

A DELICIOUS VIEW
The **Extra-Large Oven Window** allows
you to keep track of dinner without
having to disturb the temperature
by opening the door.

IT'S ALL UNDER CONTROL
Easy Touch Electronic Oven Controls allow you
to set bake and broil temperatures with the touch
of a finger. A clock and timer make it convenient
to count down to dinner time, while the oven
control lockout prevents unintended use.

MICROWAVES AND VENTS

MODEL AMV2175CS

PROGRAM WITH EASE
Touchmatic® control systems and simple keypads make it easy to choose the right cooking options.

TASTY RESULTS
Cook and reheat without the worry of overcooking. **Automatic sensors** monitor humidity levels and automatically adjust cooking time and temperature for delicious results.

POWERS DOWN WHEN YOU DO

MANY APPLIANCES DRAW POWER WHEN NOT IN USE. OUR ENERGY SETTING CUTS ELECTRICITY TO THE MICROWAVE, SO WHEN YOU'RE OUT FOR THE DAY OR JUST NOT USING THE MICROWAVE, IT'S HELPING CONSERVE ENERGY.

CLEAR THE AIR
Hidden vents provide a sleek look and easy clean up. Ventilation options include recirculation and exterior venting models.

EVEN A CASSEROLE DISH FITS
Our **microwave interiors** easily hold and effectively heat your favorite recipes, even in a 9" x 13" dish.

Note: Not all features included on all models.

FIT SYSTEM
The FIT system* eliminates measuring, cutting and filler strips for a perfect fit every time.**

TREES for the FUTURE

For every Amana® major appliance sold, **a tree will be planted to help rebuild global deforested areas.*****

*Does not include UXT5530AA or UXT5536AA.
**Based on typical installation with existing electrical and ventilation connections.
***During 2014, for every major appliance it sells in the U.S., Amana® will donate $0.10 (the cost of each tree planted). Total donation is expected to plant over 2 million trees.

4' GAS RANGE CONNECTOR KIT
#30-48KITRC

This kit has everything you need to hook up your gas range. Includes (1) 4' connector, (3) fittings, sealant, leak detector solution and installation instructions.

AFFRESH® COOKTOP CLEANER (10 FL. OZ.)
#W10355051

Cuts through tough, baked-on residue. Safe for all glass, ceramic and porcelain cooktops.

AFFRESH® STAINLESS STEEL CLEANER (16 FL. OZ.)
#W10355016

Gently cleans fingerprints, smudges and residue to leave a streak-free, polished shine.

PREMIUM BROIL PAN & ROASTING RACK
#W10123240

This easy-to-clean, 3-piece set with broiler grid helps prevent splatters and smoke.

RANGE ANTI-TIP KIT
#8273888A

Attaches to floor to minimize movement of ranges. Installation instructions included.

RANGE POWER CORDS
6', 4-WIRE, 40 AMP #PT600
4', 4-WIRE, 40 AMP #PT400
4', 3-WIRE, 40 AMP #PT220

Successfully hook up your electric range with one of these industrial-grade cords, and you'll be cooking in no time.

UNIVERSAL MICROWAVE STEAMER
#8205262RB

Use these dishwasher-safe, hard plastic components to steam fish, vegetables or rice.

VENTILATION HOOD POWER CORD
5', 3-WIRE, 125 VOLT #W10355452
3', 3-WIRE, 115 VOLT #HOODPT3

Hook up your vent hood with ease with the choice of a 5' or 3' power cord.

COOKING GLOSSARY

AUTO COOK
Heats frozen entrees, beverages and instant rice with the touch of a button.

AUTO DEFROST
Effectively thaws food according to weight for meals in a hurry.

AUTO REHEAT
Preset programs reheat items like a full dinner plate or a slice of pizza.

CHARCOAL ODOR FILTER
Helps pull cooking odors out of the kitchen air.

CONTROL LOCKOUT
Locks controls so little fingers can't turn on the range or the microwave oven.

CUSTOM BROIL
Set the broil temperature in five-degree increments. Choose higher heat for meat and lower heat for delicate desserts.

DELAY-BAKE OVEN CONTROL
This control lets you program the oven to be ready when you are.

EASY TOUCH ELECTRONIC OVEN CONTROLS
Set bake or broil temperatures with just a touch. Plus, a clock and timer make it easy to count down to dinner time. Control lockout prevents unintended use.

FIT SYSTEM
This system eliminates measuring, cutting and filler strips on under-cabinet hoods for a perfect fit every time.*

HIDDEN VENT
Ventilation performance that's sleek and easy to maintain. A charcoal odor filter eliminates cooking odors.

KEEP WARM™ SETTING
Maintains the temperature of finished food without cooking it further.

LP GAS CONVERTIBLE
Included hardware that converts your gas range for use with propane gas.

SEALED BURNERS
Makes cleanup easy by preventing spills from dripping beneath the cooktop.

SELF-CLEANING OVEN
Let the oven do the dirty work. Select models feature adjustable cleaning time.

SENSOR TECHNOLOGY
Monitors humidity and automatically adjusts microwave cooking time so food is cooked or reheated, but not overcooked.

SPILLSAVER™ CERAMIC GLASS COOKTOP
A smooth, seamless ceramic and glass surface that contains spills for easy cleanup.

SPILLSAVER™ UPSWEPT COOKTOP
A smooth, seamless porcelain-steel surface that contains spills for easy cleanup.

TEMP ASSURE™ COOKING SYSTEM
Keeps temperatures consistent with a preheat cycle and dual use of the bake and broil elements.

TOUCHMATIC® CONTROL SYSTEM
Program your microwave with ease thanks to this simple keypad.

*Based on typical installation with existing electrical and ventilation connections. Consult a professional installer to ensure your installation complies with code requirements.

MODEL ASD2575BRS

FILTERED WATER WHEN YOU WANT IT
A **PUR® Water Filtration System**
dispenses cold, refreshing water straight
from the refrigerator and can save
you up to $600 a year instead
of buying bottled water.*

STRESS-FREE MESSES
Save yourself the trouble.
Spillsaver™ Glass Shelves help keep
the mess contained and they're
adjustable, too!

ECO-CONSCIOUS, BUDGET-FRIENDLY

OUR SLEEK AND EFFICIENT SIDE-BY-SIDE REFRIGERATORS USE 30% LESS ENERGY

TO KEEP FOOD COOL, HELPING YOU SAVE $300 DURING THEIR LIFETIME.**

ADJUSTS TO FIT YOUR NEEDS
From gallon door bins to a full-width
crisper drawer, our **versatile storage
options** are designed to fit what you
bring home from the market.

ROOM TO CHOOSE
With a capacity of over **23 cu. ft.**
in our Amana® side-by-side refrigerators,
you always have the food storage
space that's right for you.

Note: Not all features included on all models.
*Based on average use of two 6-month, 200-gallon water filters versus purchasing the same amount of leading brand bottled water.
**Compared to the average annual energy usage of a pre-2000 refrigerator, based on average use, 12-year life.

ACCESSORIES

AFFRESH® STAINLESS STEEL WIPES

#W10355049

Gently cleans fingerprints, smudges and residue to leave a streak-free, polished shine. Contains 35, 7" X 9" use and toss wipes.

COPPER WATER SUPPLY KIT

#8003RP

Fits most refrigerators and includes (1) 15' copper water supply line, (1) saddle valve, (1) coupling, Teflon® tape and installation instructions.

FRESHFLOW™ PRODUCE PRESERVER STARTER KIT

#P1FB6S1

Extend the freshness of produce by up to four days* with this starter kit that fits in any refrigerator. Replace every 6 months.

MULTI-USE CLEANING BRUSH

#4210463RW

This brush easily removes cobwebs and dust from the coils on your refrigerator to help it continue running at peak performance. Dimensions: 27 1/2" (H) x 2" (W) x 2" (D)

REPLACEMENT REFRIGERATOR WATER

#Filter1 (#W10295370A) Replacing your refrigerator water filter every 6 months, or when indicated by the filter system, helps ensure that clean, fresh-tasting drinking water is always available.

*Based on commonly purchased produce.

REFRIGERATOR GLOSSARY

ADJUSTABLE DOOR BINS
Move these bins up or down to fit your food.

CONTROL LOCKOUT
Locks dispenser controls to prevent unintended use of the dispenser.

DAIRY CENTER
Dedicated storage space for dairy food, like butter and yogurt, helps make sure they are easy to find.

DELI DRAWER
Keep track of deli meat and cheese by storing it in this clear drawer.

EASYFREEZER™ PULL-OUT DRAWER
This drawer opens and closes smoothly—even when fully loaded with all your frozen favorites.

GALLON DOOR STORAGE
Holds everything from gallons of milk to 2-liter bottles of soda and containers of juice—whatever quenches your thirst.

GARDEN FRESH™ CRISPER DRAWER
When your garden has grown, this humidity-controlled drawer helps keep fruits and veggies fresh for longer.

REVERSIBLE DOOR SWING
Select refrigerator and freezer doors can be adjusted to open from the left or right.

SPILLSAVER™ GLASS SHELVES
Keep small messes from becoming big problems. These shelves help contain spills, stopping them from dripping onto the shelf below.

TEMP ASSURE™ FRESHNESS CONTROLS
These easy-to-use controls put consistent temperatures right at your fingertips.

CHEST, UPRIGHT AND COMPACT FREEZERS

MODELS AZC31T22DW,
AZB33X20DW AND AQC0902DRW

IDEAL LONG-TERM STORAGE
Deepfreeze® technology cools the freezer down to an ice-cold negative eight degrees to ensure everything stays frozen.

A CONSCIOUS EFFORT TO SAVE
Revolutionary insulation provides low-impact freezing and has a 99.9% lower global warming potential.[*]

EXTRA ROOM TO CHILL

GO AHEAD AND STOCK UP ON PIZZAS. OUR CHEST, UPRIGHT AND COMPACT

FREEZERS GIVE YOU ADDITIONAL FROZEN FOOD STORAGE OPTIONS SO YOU WON'T

HAVE TO WORRY ABOUT RUNNING OUT OF ROOM.

NO MORE BUILDUP
Free-O-Frost™ system prevents ice buildup, so you don't have to worry about extra defrost time.

ON A ROLL
Built-in rollers allow you to conveniently install your freezer and easily move it for cleaning, even when full.

Note: Not all features included on all models.
[*]Based on comparisons of previously used insulation blowing agents, Hydroflurocarbon (HFC) 245fa with Global Warming Potential of 1020 and Honeywell Solstice Liquid Blowing Agent, a Hydrofluoro-Olefin 1233zd(e) with Global Warming Potential of 1.

FREEZER GLOSSARY

BASKETS
Provide a place for small items and keep all your frozen foods organized.

DEEPFREEZE® TECHNOLOGY
Delivers ideal long-term storage for frozen foods by cooling the freezer down to an ice-cold negative eight degrees, ensuring everything stays frozen.

FAST FREEZE
Freezes large amounts of food fast, running the freezer almost continuously to provide freshly cooled air to drive freezer temps 10 degrees colder than the lowest setting.

FREE-O-FROST™ SYSTEM
Prevents ice buildup, so you don't have to worry about setting aside time to defrost the freezer.

LEG LEVELERS
Help keep your freezer balanced for easy resting, even on uneven floors.

REVOLUTIONARY INSULATION
Provides low-impact freezing and has a 99.9% lower global warming potential,[*] while helping save energy.

ROLLERS
Up to four rollers use swivels for smooth movement on flat surfaces and allow for easy movement of your freezer when it's fully loaded.

*Based on comparisons of previously used insulation blowing agent, Hydroflurocarbon (HFC) 245fa with Global Warming Potential of 1020 and Honeywell Solstice Liquid Blowing Agent, a Hydrofluoro-Olefin 1233zd(e) with Global Warming Potential of 1.
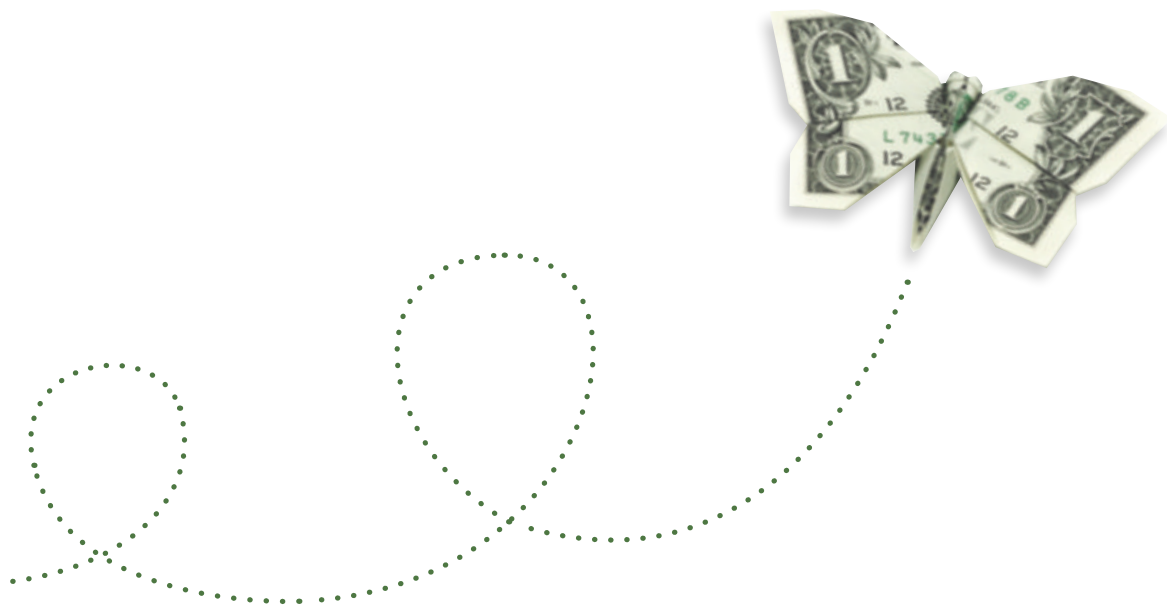

MAKE A PURCHASE. WE'LL PLANT A TREE.
(OVER 3 MILLION IN FACT)

For every step forward, a smaller footprint is left behind.
Amana brand and Trees for the Future have teamed up to make a bigger
impact on the world, while making a smaller impact on the environment.

Trees for the Future is a charity that combines agriculture and forestry to
create integrated and sustainable land-use systems. Trees and shrubs are planted
near crops and livestock, which helps improve soil quality, yield higher crops and
contribute to a better standard of living for people in rural communities.

So for every Amana® major appliance sold in 2014, we'll donate a tree.[*]
